7. Continental provides the following response to the request for information set forth in the U.S. Trustee Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the Application Period?

Response: Yes. As a courtesy to the Committee and based on circumstances unique to the Title III Case, during the Application Period, Continental agreed to a voluntary reduction of its fees by an amount equal to 20% of the total fees sought to be paid, which reduction totals \$54,639.20.

Response: The fees were below the budgeted amount, therefore the request is not applicable.

Question: Have any of the professionals included in this Second Interim Application varied their hourly rate based on the geographic location of the bankruptcy case?

Response: No.

Question: Does the application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices? (This is limited to work involved in preparing and editing billing

records that would not be compensable outside of bankruptcy and does not include reasonable fees for preparing a fee application.) If so, please quantify by hours and fees.

Response: The Second Interim Application includes approximately 13.3 hours and associated fees of approximately \$3,467.50 related to preparing, reviewing, and revising Continental's fee statements.

Question: Does this application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify by hours and fees.

Response: No.

Question: If the application includes any rate increases since retention: (i) Did your client review and approve those rate increases in advance? (ii) Did your client agree when retaining the law firm to accept all future rate increases? If not, did you inform your client that they need not agree to modified rates or terms in order to have you continue the representation consistent with ABA Formal Ethics Opinion 11-458?

Response: No rate increases have occurred since the retention date.

8. I declare under penalty of perjury that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.
